Comments and Instructions:

Dividing benefits under Part 6 of the *Family Law Act* requires an agreement between the parties, or an order, that provides for that division. The agreement or order must set out the dates to be used for determining the portion of the benefits that are subject to division. This form can be used by the parties for that purpose and if signed by them constitutes an agreement under section 127 of the *Family Law Act* to divide the benefits.

When dealing with valuable assets, obtaining legal advice is usually considered prudent. This form is not a substitute for legal advice.
