INSTRUCTIONS

- For the member to begin to receive a pension, the plan employer and the retiring plan member are required to sign and return a declaration, stating that no **pre-arranged** agreement exists for the member to return to work after retirement.
- This declaration does not prevent an employee who has retired from a plan employer (i.e., severed their employment relationship in all respects) from applying for employment with any plan employer after the date of their retirement.
- Complete this declaration and return it to the College Pension Plan. The plan employer will complete a declaration when the member's final pay and salary is submitted for retirement.
- Contact the College Pension Plan if any questions about this declaration.

PLAN MEMBER CERTIFICATION – I declare that I have resigned my employment and that there is no commitment between me and my employer for me to return to work after retirement. If such an agreement exists, I understand that I will not be eligible to receive a pension from the College Pension Plan at this time.
